

Village on the Parkway Garage

Location:

Addison, Texas

Size:

216,793 SF

Owner / Developer:

Lincoln Property Company

Role:

General Contractor

Building Type:

Garage / Retail

About This Project:

- Comprised of 565 separate pieces of precast concrete that were delivered to jobsite and assembled to form the garage structure.
- Adds 622 new parking spaces over five stories to the upscale Village on the Parkway retail community.
- Includes two story speculative retail space, finished in two tone paint, wood slats and Boral Cultured Stone™ cladding.
