

Texas Instruments Warehouse / Office

Location:

Dallas, Texas

Size:

276,000 SF

Owner / Developer:

Texas Instruments Pension Trust

Role:

General Contractor

Building Type:

Office / Warehouse / Manufacturing

About This Project:

- This office / warehouse / manufacturing building was constructed on Texas Instruments' Dallas campus in North Dallas, Texas.
- While owned by the Texas Instruments Employee Trust Fund, the building was constructed to the stringent specifications of Texas Instruments Electronics, and it houses several "clean room" environments.
- The entire 276,000 SF building is air conditioned.
