

Trane Company – Finish-out

Location:

Fort Worth, Texas

Size:

49,000 SF

Owner / Developer:

Mercantile Partners

Role:

General Contractor

Building Type:

Office / Retail / Warehouse

About This Project:

- Finish-out features a custom-designed lobby and reception area, an expansive customer learning center, and a large, fully furnished employee/guest break area.
- The office and training centers are beautifully finished in a modern design with the company's corporate colors.
- The suite includes an interior fenced storage area and a four-door loading dock in its warehouse.
- Between the office and warehouse areas is a large, state-of-the-art parts center.
- The suite is part of Mercantile Building B, a 120,000 SF building constructed by Bob Moore Construction.
