Warehouse / Distribution Center

About This Project:

- Bob Moore Construction was the design / build contractor for the 125,000 addition to Iris-USA's warehouse / distribution center in Mesquite, Texas.
- The new warehouse / distribution facility features a 40 foot clear space, ten new dock doors and a full complement of warehousing equipment.
- Addition connected to the existing facility by way of three ties-in cut into the shared wall.
- This addition was built using tilt-up construction, and the exterior was carefully finished to match the existing building.
