

Pueringer Foods Cold Storage

Location:

Grand Prairie, Texas

Size:

45,000 SF

Owner / Developer:

MEPC Quorum Properties I

Role:

Design / Build Contractor

Building Type:

Warehouse / Food

About This Project:

- Bob Moore Construction was the design / build contractor for the Pueringer Foods Cold Storage distribution center / warehouse building.
- Over 15,000 SF of freezer and cold storage area are enclosed.
- This 45,000 SF building is located in Grand Prairie, Texas, between Dallas and Fort Worth.
- As the second largest specialty food distribution service in the United States, Pueringer directs food to regional Mexican, Italian and Pizza restaurants. Texas was chosen as its well positioned base for serving a five-state area.
