

Dura-Tech Manufacturing Facility

Location:

Addison, Texas

Size:

57,000 SF

Owner / Developer:

Dura-Tech Processes

Role:

General Contractor

Building Type:

Manufacturing

About This Project:

- Constructed with tilt-up construction
- Features a 30-foot clear-height ceiling.
- The floor is sloped and covered with a highly durable epoxy coating to support the facility's custom-engineered containment system.
- Extended catwalk provides access to elevated equipment and seven five-ton bridge cranes are mounted overhead.
