

Retail Store Building F

Location:

Mansfield, Texas

Size:

10,932 SF

Owner / Developer:

Kossman Development Company

Role:

General Contractor

Building Type:

Retail

About This Project:

- Bob Moore Construction was the general contractor for Building F Retail Store.
- Building F features 10,932 SF of retail space in Mansfield, Texas, south of Fort Worth and Dallas.
- The shell was constructed with CMU concrete blocks and engineered light gauge metal studs.
- The building is finished in a stone veneer to match the other retail stores in Mansfield Town Center West.
- It includes a 56' tower, with an intricate main entry façade that incorporates three different elevations into one building.
- The main entry is completely EIFS and Cultured Stone masonry.
