Lincoln Property Company

**Role:**

General Contractor /  
Construction Manager

**Building Type:**

Retail

## About This Project:

- Bob Moore Construction has built ten retail stores for Garden Ridge, in Texas, Oklahoma, Virginia and Georgia.
- For the first Garden Ridge project, we were the general contractor; for subsequent projects, we were the construction manager.
- As with many of our clients, Garden Ridge chose Bob Moore Construction for one building, and came back time and again. Today, more than one out of every four Garden Ridge stores were built by Bob Moore Construction.
