

CIGNA Office Building / Call Center

Location:

Denison, Texas

Size:

140,000 SF

Owner / Developer:

CMC / Commercial Realty Group

Role:

General Contractor

Building Type:

Office / Call Center

About This Project:

- Dramatic two story office building and call center in located just south of the Texas / Oklahoma border.
- Exterior features a dramatic, two-story radiused glass curtainwall entrance and parking for 1,000 vehicles.
- Interior is finished in a high-end modern design style, with multi-colored walls and branding throughout the building.
- The majority of the building is comprised of offices, conference rooms and call center facilities.
- The building includes two elevators, a full commercial kitchen and cafeteria, dining facilities that convert into a large teleconference facility, networked training rooms and a workout room with connected shower and dressing rooms.
- The facility was built using tilt-up construction.
